MAIN FEATURES:

Zero G™ preset position:

One touch button that raises the legs and the head to promote circulation and relieve pressure off of the lower back.

Slim profile:

The base has a thickness of only 4" unlike the regular model that has a thickness of 7.5". Therefore, you can easily fit your adjustable bed into your favorite bed.

Wireless remote with programmable presets:

Ability to reprogram Relax and TV Presets to your own custom positions.

Gravity release safety feature:

Head and foot motors designed to lower the mattress by retracting only with gravity, never pulling downwards, which minimizes pinch points.

Compatible with headboard:

Compatible with our headboards. Headboard brackets sold separately.

Battery back up strap:

In the event of a power outage, the base can be brought to a flat position by installing batteries to the emergency strap under the bed.

3-Level legs:

3-Level black round legs included : 3", 6", 9". Different legs can be purchased separately. Designed for full operation with legs or placed on a flat surface.

Smooth Power™ lifting system:

Head and foot motors that gradually increase in power when articulated, providing the user with seamless transition from position to position.

Smart Sync™ pairing system:

Synchronization has never been easier. Simply connect two 30" XL or 39" XL bases with the sync cord provided. Each remote will operate both bases simultaneously. Just plug and go!

Weight limits:

Supports a maximum weight of 750 lbs evenly distributed across the base.

Nationwide warranty support:

Backed by Ergomotion's 10 Year Limited warranty and industry leading customer service.
