MAIN FEATURES:

Zero G™ preset position:
One touch button that raises the legs and the head to promote circulation and relieve pressure off of the lower back.

Wireless remote with programmable presets:
Ability to reprogram Relax and TV Presets to your own custom positions.

3-Level massage:
10, 20, and 30 minute timer. 2 motors in 39'' XL size and 4 in 60'' size.

Wall saving design:
Patented technology that keeps the user in reach of their night stand during articulation.

Contour technology:
Spacing in the base during articulation, keeping mattress anchored to the bed.

Gravity release safety feature:
Head and foot motors designed to lower the mattress by retracting only with gravity, never pulling downwards, which minimizes pinch points.

Bluetooth compatible (module sold separately)
Allows user to download free application and operate their base from most smart devices (Apple & Android).

Compatible with headboard:
Compatible with our headboards. Headboard brackets sold separately.

Storage/Remote pocket:
Keep your wireless remote control and personal belongings easily accessible.

USB outlet:
Charge your favorite mobile devices with USB outlets on each side of the base.

LED underbed lighting:
Set the mood or find the door - whatever you do with our below-bed LED lighting is up to you.

Battery back up strap:
In the event of a power outage, the base can be brought to a flat position by installing batteries to the emergency strap under the bed.

Smooth Power™ lifting system:
Head and foot motors that gradually increase in power when articulated, providing the user with seamless transition from position to position.

Zero Standby Power™ system:
For the energy conscious consumer, the Zero Standby Power System consumes < 1 W when not in use.

Smart Sync™ pairing system:
Synchronization has never been easier. Simply connect two 39''XL bases with the sync cord provided. Each remote will operate both bases simultaneously. Just plug and go!

Next generation SilentDrive™ motors:
Head and foot motors engineered to preserve a peaceful sleep environment by creating very little noise when activated.

3 level legs:
Black square legs, 3'', 5'' and 8'' high included. Different legs can be purchased separately. Designed for full operation with legs or placed on a flat surface.

Weight limits:
Supports a maximum weight of 850 lbs evenly distributed across the base. Highest weight capacity in this class.

Nationwide warranty support:
Backed by Ergomotion's 20 Year Limited warranty and industry leading customer service.
