ADJUSTABLE BASE

Hello Ergo...  
VOICE ACTIVATION

Not too big, not too small. Not too costly, but rich in features. Ergomotion's Quest 2.5 adjustable base gives you everything you want, but is still compact, versatile, and affordable. The Quest 2.5 adds programmable presets, underbed lighting, **dual USB ports**, and even our voice-activated **Hello Ergo system**. It can turn your bedroom into a work-from-home office and a get-away-from-work retreat. Start your day with meditation, and end it with a relaxing, **zero-gravity experience**. The Quest 2.5 lets you do it all.

ergomotion®

Size	Bed dimensions	Box dimensions	Bed weight	Total weight
Twin XL (39" XL)	15" x 37.5" x 79.5"	7" x 42" x 40"	93 lb	104 lb
Queen (60")	15" x 59.5" x 79.5"	7" x 62" x 42"	122 lb	132 lb
King (78")	15" x 75.5" x 79.5"	7" x 77" x 37"	141 lb	152 lb

## MAIN FEATURES:

### Zero G™ preset position:

One touch button that raises the legs and the head to promote circulation and relieve pressure off of the lower back.

### Wireless remote with programmable presets:

Ability to program up to 4 custom positions.

### 3-Level massage:

10, 20, and 30 minute timer. 2 motors in every size.

### Offline voice control:

Allows you to adjust your bed using voice commands.

### LED flashlight:

On touch button to turn the flashlight on the remote on or off.

### LED under bed lighting:

Set the mood or find the door - whatever you do with our below-bed LED lighting is up to you. We just don't want you stumbling around in the dark.

### USB outlet:

Charge your favorite mobile devices with USB outlets on each side of the base.

### Foldable and UPS'able:

Provides a foldable base for easy storage, setup, and transportation.

### Slim profile:

The base has a thickness of only 3". Therefore, you can easily fit your adjustable bed into your favorite bed.

### Gravity release safety feature:

Head and foot motors designed to lower the mattress by retracting only with gravity, never pulling downwards, which minimizes pinch points.

### Compatible with headboard:

Compatible with our headboards. Headboard brackets sold separately.

### Battery back up strap:

In the event of a power outage, the base can be brought to a flat position by installing batteries to the emergency strap under the bed.

### Smooth Power™ lifting system:

Head and foot motors that gradually increase in power when articulated, providing the user with seamless transition from position to position.

### Zero Standby Power™ system:

For the energy conscious consumer, the Zero Standby Power System consumes < 1 W when not in use.

### Smart Sync™ pairing system:

Synchronization has never been easier. Simply connect two 39" XL bases with the sync cord provided. Each remote will operate both bases simultaneously. Just plug and go!

### Next generation SilentDrive™ motors:

Head and foot motors engineered to preserve a peaceful sleep environment by creating very little noise when activated.

### 4-Level legs:

4-Level black round legs included: 3", 6", 9" and 12". Different legs can be purchased separately. Designed for full operation with legs or placed on a flat surface.

### Weight limits:

Supports a maximum weight of 750 lbs evenly distributed across the base.

### Nationwide warranty support:

Backed by Ergomotion's 10 Year Limited warranty and industry leading customer service.
